Forecast for Monday 13 May 2024

Weather: Starting off dry but rain will set in by late morning. Then the rest of the day will be dull with persistent and sometimes heavy rain. Little change into the evening.

Chance of cloud-free hill tops above 700m: 20%, best chance first thing across the west of the Park

Low cloud and visibility: Areas of low cloud down to 250 metres at first, this patchy in nature across the west. Otherwise low cloud will be extensive and persistent down to 400 to 700 metres once rain sets in.
